

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation and the abuse of public airwaves by broadcasters espousing politically inappropriate viewpoints.

Sinclair has a record abusing its FCC license for political purposes, and FCC has become complicit in this illegal activity. I respectfully demand that you prohibit the broadcast of "Stolen Honor," as I am sure you would do if a broadcast station dared to broadcast Michael Moore's "Fahrenheit 9/11" just before the election.

The prejudice in Sinclair's plan is demonstrated by its decision to fire the journalist in its Washington bureau for protesting this inappropriate and illegal use of the public airwaves.

Please reconsider your incorrect decision, put a halt to this abusive charade by Sinclair, and reevaluate Sinclair's broadcast license. It would be in the best interests of the public you are required to serve and protect.

Thank you.
